The photo shows one of our **roundtrip trailers for Spain**. In Cooperation with L.W. Cretschmar Española, S.A we offer two departures a week from Hamburg to Barcelona, Madrid and Irun and also vice-versa.

With our **consolidated cargo** we offer a **service covering Europe and North Africa entirely**. Comprehensive door-to-door transports are offered in many European countries for **full container loads, partial shipments and less than container loads**. Widely ramified national and international cooperations with local professional partners enable a personalised and uncomplicated transaction of all incoming and outgoing shipments.

This departure schedule for consolidated cargo gives you combined information about your contact persons, all relations offered as well as the date of shipping. Our staff will advise you with competence and experience. Staff members with expertise in special issues (e.g. dangerous goods) are also on hand.
