GERMANY

on our behalf and for our account:

1. to hand in and to file customs entries and to carry out all actions associated with customs clearance;
2. to file applications for waiver / refund and to receive refunds in our name.
3. We are buyer of the commodity to be registered and are entitled to full deduction of input tax as per § 15 UStG. (German V.A.T. law)
4. There is no company connection between us and the seller in terms of art. 143 of the Regulation (EEC) Nr. 2454/93 [for further information please see leaflet "Zollwert" („Customs Value“) attached to form no. 0464/0465 "Zollwertanmeldung" („Filing/Entry of Customs Value“)]. In case of import orders by sellers with whom any specific company connection exists, we will inform you accordingly.
5. in case of deferments to carry out customs clearance via our deferred customs payment account. Principal's deferred customs payment account as follows:

6. We hereby assume full liability towards the agent of the power of attorney for the completeness and correctness of all details which are required to handle the orders.
7. We are aware that through filing of the customs entry we become declarant as per customs code and commit ourselves to bear the cost of any import duties laid out by NAVIS AG with the customs collection office, including possible customs and late payment fines.
8. We are aware that the contractual relations between principal and agent are based on the German Forwarders' Standard Terms and Conditions (ADSp), latest issue.
